DIRECTORS 2019

Heather Boritzke (Essential Ingredients) got married on December 14th in Runaway Bay, Jamaica and came back to the states as Heather Grimm! Her and her husband, Drew, were in Jamaica for a week and had perfect weather. They were surrounded by 75 of their closest family and friends. They are going to Italy on their honeymoon in May.

Congratulations to **Scott Heck**. He is a proud new dad. Beckham Gregory Heck was born on 12/28, weighing 8 lbs 10 oz

Alex Stone raised \$1,160 for the Movember Foundation to help fight against suicide, especially in men. The Foundation is aiming to reduce the rate of male suicide by 25% by 2030.

Get to Know the CD&CA Board Members

Name: *Lou DePasquale* – Senior Account Executive at Acid Products Company, Inc. Father of two (including CD&CA member Cheryl DePasquale) and proud grandfather of 5.

Favorite Food: Italian, of course.

Favorite Phrase: “This is not a dress rehearsal.”

Favorite Place to Visit/Vacation: Positano, Italy.

Activities/Hobbies: Staying alive.

Things you cannot live without: My family, friends and associates in our great Chemical Industry, where I have spent most of my adult life, starting in 1964.

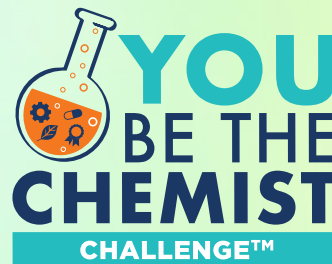

One thing people might be surprised to know about you: I am the oldest active member of the Board. Having been a former President, I was recycled back on the Board as the current Membership Chairman—a role that I relish—to support bringing new members into the CD&CA. I have a great deal of respect for and am proud to be a member of this organization.

Annual Meeting and Silent Auction

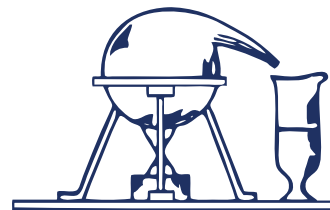

Another successful Annual Meeting and Silent Auction was held on November 22.

Thanks again to all who donated to the Auction as well as those who attended. The funds raised help support the educational and scholarship programs of the CD&CA as well as supporting the Chemical Education Foundation's **You Be the Chemist Challenge**.

Pictured below are this year's recipients (left to right), Grace Otto (daughter of **Ken Otto**), **Pat Kapsa** (presenter), Joseph McHatton (son of **Jim McHatton**) and Allison Norris (daughter of **Joe Norris**). In addition, winners that were not able to attend are Adyson Leonard (daughter of **Tom Leonard**) and Ryan Doody (son of **Tim Doody**).
